

1 CROWN OFFICE ROW

Natasha
Isaac
Call: 2017

Natasha accepts instructions in all areas of family law including financial remedies, divorces and domestic abuse as well as care proceedings and private law applications involving children. In addition, Natasha has a particular interest in cases involving children with specialist healthcare needs and cases with religious elements.

Children (Private Law)

Natasha appears on behalf of parents, grandparents and Guardians in relation to private law applications in disputes around contact arrangements in separated families. Natasha has recently given a number of seminars to legal professionals on topics relating to private law children disputes, including in relation to vaccines.

Financial Remedies

Natasha advises and represents parties at all stages of financial remedy disputes, including enforcement of final orders. She can also advise on contested divorce matters, including matters relating to religious marriages.

Domestic Violence & Injunctions

Natasha represents parties at all stages of applications for protective injunctions, including emergency

applications.

Children (Public Law)

Natasha represents all parties at all stages of care proceedings including parents, grandparents and Guardians. She was recently led by Head of Family, Adam Smith, in a complex fact-finding hearing involving multiple experts.

Direct Access

Natasha accepts work from clients in accordance with our [Direct Access Scheme](#) in all areas of family law. Visit her profile [here](#).
